## Quick guide for parents and guardians

Manage screen time, apps, and content with Google Family Link.

1

### Install Family Link

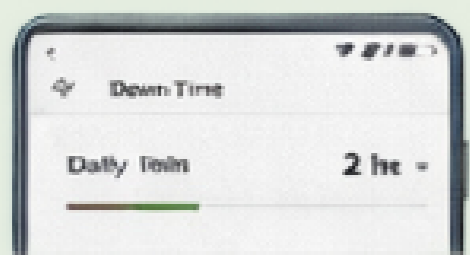

Download the Google Family Link app on the parent's device.

2

### Link your child's account

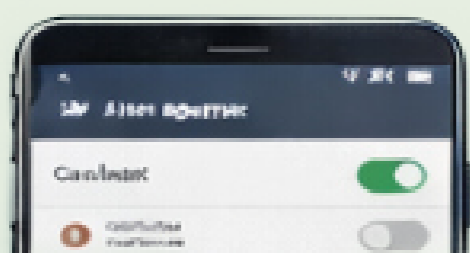

Add or connect your child's Google account and keep their device nearby.

3

### Set screen limits

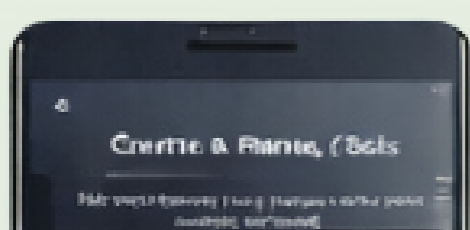

Choose daily limits and a bedtime schedule in Screen Time controls.

4

### Approve or block apps

Manage app downloads, purchases and permissions as needed.

5

### Add a parent PIN

Use a Parent Access Code to stop children changing settings.
